BRONX NEW YORK

JOIN THE HUNDREDS OF YOUNG PEOPLE BEFORE YOU WHO GAVE
1-2 YEARS OF SERVICE TO THE LEAST, THE LAST, AND THE LOST.

BECOME A VOLUNTEER

The Lasallian Service Corps offers opportunities in educational and social service ministries rooted in the Lasallian tradition. Affiliated with the De La Salle Brothers Bedford Park Community in the Bronx, New York, we prioritize serving diverse communities and fostering holistic development in mostly underserved areas, following Saint John Baptist de La Salle's vision.

Living in an intentional community near the New York Botanical Garden and Manhattan College, you'll share housing and resources with other volunteers and Christian Brothers. Community living promotes camaraderie and collaboration while providing support and a nurturing environment.

Upon completing your service, you'll join our extensive alumni network, staying connected to the Lasallian mission through networking events, service opportunities, and ongoing support for current volunteers.

What Do Volunteers Do?

Help organizations who are serving Bronx families in need by providing them with nutritional food, diapers, clothing, and personal support.

Ready to join us for 1-2 years of service here in the Bronx while sharing community with like-minded individuals working to provide opportunities for others?
